Dear Prospective Sponsor,

Seeing an absence of premier youth football clubs in this region, a group of passionate coaches and parents came together with a vision, big aspirations, and a talented group of young athletes to form the Smokies Youth Football Club in 2024. The program was formed around a core group of boys who have been playing together since they were six years old and have put in countless hours of practice to represent our region with pride and we want to continue to allow them to pursue their passions at the premier level necessary to support their continued growth.

Club sports require a significant financial commitment that creates a barrier for many young athletes in our region. In order to keep these kids competing and to grow the Smokies program to allow more opportunities for young football players in our region, we are seeking to raise \$20,000.00 in 2025. Your support is more important than ever, as we incorporate a new age division into our program and work to foster the opportunities for other interested athletes to join our expanding program.

The funds raised will be used to offset player fees and help purchase and pay for new football helmets, practice equipment, tournament fees, practice field rental fees, uniforms, player gear, and other team needs. The safety of our players is our utmost priority, and we cannot provide the necessary gear to keep our team safe on the field without your help. Will you help be a part of keeping the dream alive for these athletes?

Donations of all amounts are welcome, and we are happy to talk with you more about sponsorship opportunities. The Smokies Youth Football Club is 501(c)(3) tax exempt. We are a registered non-profit organization with the State of Tennessee, so all donations are tax deductible. If you have any questions or need additional information, please contact us at smokies.football@gmail.com. The dream is just beginning and that's why we need your help!
